### Description

#### Preconditions:

1. Guru99 demo application is up and running
2. [A](#) manager user is created(UserID:mngr532768,password:Bugati1@)

Test Step	Test Data	Expected Result
1. Access Guru99 demo web app:https://demo.guru99.com/V4/index.php		Guru99 web app is loaded
2. Log in as manager account	UserID:mngr532768, password:Bugati1@	The manager is logged
3. Click on New customer menu		the page should be loaded and contains the following fields from documentation: Customer Name Gender Date of Birth Address City State PIN Telephone Number Email Id

Version	Test Cycle	Status	Defects	Executed By	Executed On
Guru99V1.0	conformance test	FAIL		IT Factory	15/Oct/23 6:54 PM
